

## **Celebrate *Kiva* at SAAs!**

*Kiva* readers, authors, reviewers, editors please join us to celebrate our 75<sup>th</sup> anniversary at the Society for American Archaeology meetings in St. Louis, Missouri. On Thursday, April 15th at 12:30 there will be a poster session titled ***Kiva*: 75 Years of Southwestern Anthropology and History**. This session will explore how the support of the Arizona Archaeological and Historical Society and a dedicated group of editors created the Southwest's premier journal. We look at the people and institutions that have made our journal what it is today, and how the methodological and theoretical contributions of students and scholars have given *Kiva* a reputation as the best place to explore the history and prehistory of the peoples of the Southwest United States and north Mexico.

Then, join us from 5:00 to 6:30 that same evening for a reception, cash-bar, and celebratory frivolity. Check your SAA program for its location in the conference hotel.
