

LITHIC RAW MATERIAL IDENTIFICATION/COLLECTION FORM

Complete this form in conjunction with the Colorado *Management Data Form*. No additional documentation is necessary, if the source locality does not exhibit evidence of cultural use. If there is a cultural component, complete the appropriate *Prehistoric Archaeological Component Form* and/or an *Historic Archaeological Component Form*. Out of state source localities should be documented with the appropriate resource form(s) from the state of origin, plus this form. It is important to complete as much of this form as possible.
